

## M4PRIS: PEER MENTORING PROGRAMME FOR PRISON STAFF

PROJECT NUMBER: 2022-1-DK01-KA220-VET-000088289

The **M4Pris** partnership was hosted in **Romania** for their **third Transnational Project Meeting** of the project.

The consortium members were offered the opportunity to explore and discuss the progress and the results of this ambitious initiative.

After having completed **PR2: *Blueprint of Prison Staff Mentoring***, which is currently available on our website in 6 languages ([EN](#), [GR](#), [PT](#), [DA](#), [RO](#), [NL](#)), the meeting focused on **organizing**:

- **The training courses for mentors & mentoring coordinators (PR3 & PR4),**
- **the upcoming training event in Portugal,** and
- **the peer mentoring programme for prison staff (PR3).**

The partners had the chance to learn about the development and history of the Romanian prison service, by visiting one of the most infamous places of the past – Jilava Fortul XIII.

All responsible partners have **successfully delivered their mentors' & mentoring coordinators' trainings.**

In total, more than **eighty (80) prison professionals** have attended trainings in **Greece, Portugal, Denmark and Romania.** Those trainings aspired to improve their mentoring skills and to establish a supportive environment for professional and personal growth in the context of the different European correctional systems.

Are you interested in learning more about the trainings delivered?
