

Nordplus / Nordic Languages project *Let's Get to Know Denmark and Finland*

Partnership

- ☐ [Soros International House](#), Lithuania
- ☐ [BrainLog](#), Denmark and
- ☐ [Anmiro Oy](#), Finland

The project partnership will develop an online educational platform promoting Danish and Finnish languages and cultures, seeking to improve mutual comprehension of the Nordic languages and cultures among Lithuanian, Danish and Finnish youth, as well as to stimulate their sustainable thinking through raising awareness on cohesion and coherence of Nordic region nations.

The Project will build upon the results of two previous projects – the educational platforms [Play Your Way to Norway](#), [Play Your Way to Iceland](#) and [Play Your Way to Sweden](#) for learning Norwegian, Icelandic and Swedish languages and exploring cultures.

The project seeks to:

- ☐ Promote Danish, Finnish and Nordic region minority languages and cultures, interest in them;
- ☐ Strengthen Danish, Finnish and Lithuanian young people's sustainable thinking and cooperation;
- ☐ Provide youth and educational institutions with a digital tool for distance self-directed learning;
- ☐ Encourage mutual Nordic-Baltic linguistic and cultural understanding.

Partners from Lithuania, Denmark, and Finland in Helsinki, September 2023

1. Newsletter, October 2023

Activities and results

- ❑ Create an online educational platform promoting languages and cultures of Denmark and Finland;
- ❑ Pilot the platform with the help of youth in Lithuania, collect feedback;
- ❑ Organise regular online meetings between the project partners to ensure the smooth progress of the project;
- ❑ Organise two online workshops for Lithuanian and Danish, and Lithuanian and Finnish young people to promote interculturality and motivation to learn Nordic languages, as well as to stimulate sustainable thinking through collection and dissemination of Stories on Nordic Region national minorities and their languages;
- ❑ Organise a workshop in Denmark for project participants from partner countries to finalize the content of the platform as well as to showcase the collected Stories;
- ❑ Promote the platform through social media and encourage people from Nordic-Baltic region to use it as a self-directed learning tool;
- ❑ Organise the final international conference in Lithuania.

Kick-off meeting

On 27-28 September, 2023 Anmiro Oy hosted the project kick-off meeting in Helsinki. All three participating organization's representatives came together to define a shared vision for the project and discussed the details of the implementation of the work plan for the following two years.
